A WORD FROM OUR NEW PRESIDENT SUSAN CRAY:

Greetings Kappa Sisters;

I am thrilled and honored to be your new President of Kappa Kappa Gamma Alumnae Association of Tucson. As a native Tucsonan and U of A grad, I retired from teaching five years ago. I became involved with Kappa again. Diving in head first, I became a member of the Alumnae Association. Today I am the Recruitment Advisor for Gamma Zeta, a member of the Gamma Zeta Centennial Committee, and now I am the Tucson Alumnae President!

The Tucson Alumnae Association was founded on January 11, 1923 - 96 years ago. To continue in the footsteps of our Kappa sisters, and along with National HQ, we want to grow our membership. Our numbers have increased, but it is important we include all Tucson alums.

***We made a promise when we were initiated to honor and stand by our Fraternity. One way we can do that is by paying dues and becoming a member of our great Alumnae Association.**

If you are a current member, I urge you to contact a Kappa sister, encourage her to renew friendships and meet new sisters in our area by joining our Tucson alumnae group.

Where do our dues go? A small portion goes to our National

Headquarters to keep our memberships active for the year. Dues also cover our own Tucson operating expenses and offset event costs. As an association, we have no fundraising activities other than dues. They allow us to make donations to charitable foundations such as the Kappa Kappa Gamma Foundation, Rose McGill (Kappas in need) Fund, Gamma Zeta Student Aid and the Gamma Zeta Capitol Campaign among others.

As Tucson Kappas, we must pay yearly membership dues in order to be eligible to attend all events and join Tucson alum interest groups.

Check out our Calendar of Events at right, save the dates...and join us for some great venues and camaraderie.

New! We can now fill out our Dues Form online and use PayPal or charge our dues.

Again, I can't begin to express my enthusiasm to serve as President of the Kappa Kappa Gamma Alumnae Association of Tucson. I look forward to seeing you all soon at our events!

dream boldly, live fully

Loyally,

Susan White Cray
