

# KEYping Up with Kappa

FALL

2022

## Help Us Finish What We Started

### ALUMNAE CONTRIBUTIONS STILL NEEDED TO REACH OUR GOAL

In 2020, Gamma Zeta celebrated 100 years of sisterhood and launched our *Kappa Kampain*. We asked for your financial support with several goals in mind:

- ▶ Pay down the mortgage.
- ▶ Fund additional housing needs, specifically refinishing the dining room, updating the upstairs, downstairs, and apartments.
- ▶ Invest in our future members with a \$100,000 scholarship endowment.

Two years later—support is still needed to reach these goals. Now is the time to invest in our chapter's future and give our sisterhood a solid foundation during its second century.

We are beyond grateful to the generosity of many sisters, parents, and friends who have given \$488,605 toward our \$1.5 million goal. We would not have come this far without your help!

If you have yet to contribute, I encourage you to add your name to our list of donors. If you have made a one-time contribution, consider increasing your total commitment or extending your gift to a multi-year pledge.

To contribute directly to the house corporation, visit [tinyurl.com/GammaZetaAZ](https://tinyurl.com/GammaZetaAZ) or scan the QR code.

To make a tax-deductible contribution, visit [donate.kappakappagamma.org/GammaZetaHouse](https://donate.kappakappagamma.org/GammaZetaHouse) or scan the QR code.

Remember that pledges can be spread over time, so if you are able to stretch your gift over the next few years, you could more than double or triple your impact!

Thank you to all who have been a part of this project. Everything we have accomplished is due to your generosity, and we cannot thank you enough for all your hard work, time, and treasure that you have committed to Gamma Zeta. For those who have been watching from afar, please hear us when we say we would be honored to have you join us in this effort.

Loyally,

## A BRIGHT FUTURE

### Lynn Youngren Feulner '66 and Her Lifetime Dedication to Sisterhood

**"As a member of the Gamma Zeta Advisory Board, alumnae board, and house board at various times during my adult life, the fraternity has given me far more than I could ever give back."**

**S**ince her initiation in 1966, **Lynn Youngren Feulner** has remained involved with Kappa Kappa Gamma because of the women who came before her and for those who continue after. "I consider myself wealthy beyond riches because of my sisters, and I am ever so thankful."

#### STRENGTHENING THE SISTERHOOD

"I was asked to serve on the advisory board in the 1970s—it was the first place I got involved," Lynn said. "They are always looking for volunteers, and it is a great way to bring recent grads back into the fold. It was the alumnae board where I really met my good friends and fellow alumnae."

Lynn served on the house board for about 30 years, first as a general member, then for several years as treasurer, and then as president.

"Managing a house the size of Gamma Zeta requires commitment and foresight. I learned so much as a house board member—real marketable skills, and like Mike Rowe, I often did the dirty jobs."

# Reunited—And It Feels So Good

## In-Person Events Return to Gamma Zeta

The past several months have been nothing short of outstanding for Gamma Zeta.

### Recruitment and Work Week

Our members spent the first few weeks of August preparing for recruitment and getting ready to welcome our new member class. Prior to recruitment, we hosted a Work Week, bonding through fun projects and activities in the chapter house. Each member arrived in Tucson with a smile on their face, excited for the weeks to come.

### Bid Day

Thanks to our recruitment team—**Janelle Kuczek '19**, **Tyson Chapman '19**, and **Katie West '19**—recruitment was a huge success for our chapter. During Set 2, we presented our national philanthropy to the PNMs and explained why mental health is so important to our chapter. Set 3 was focused on what makes our sisterhood so special. September 5, the day we had been waiting for, finally arrived. Bid Day is one of our chapter's favorite events, as we get to welcome new members with open arms and add more outstanding women to our chapter.

### Formal Dinner and Initiation

Shortly after recruitment, we were thrilled to host our first formal chapter dinner since the

pandemic began. Women were excited to dress up and enjoy an elaborate dinner together as a chapter. Having events in person again is something that none of our members take for granted. In fact, we were so fortunate to host our first complete, in-person Initiation again in November.

### Academics

Our chapter has also done well in the classroom with a GPA of 3.46. To motivate and encourage our members in their studies, VP of Academics **Ashlyn Hegar '20** conducts weekly study parties at the chapter house. Members enjoy spending time together while simultaneously catching up on their schoolwork.

### Looking Ahead

Gamma Zeta Chapter has jumped back in for the fall semester with enthusiasm and optimism. We value our ability to push each other to be the best versions of ourselves, placing a high priority on academics, philanthropy, extracurriculars, and more. Between upcoming sisterhood events, football game days, and big/little reveal, our chapter could not be more excited for what's to come.

Loyalty,

## — A BRIGHT FUTURE —

(Continued from page 1)

### STRONG GENERATIONS

Lynn has worked with generations of young women closely and can attest to their abilities to keep the chapter traditions and purpose at the forefront while also moving into the future.

"These women have helped me to stay involved, to understand and accept new and different ways of doing things, and to appreciate all the gifts Kappa underpinnings have provided to all the women who have walked the halls of Kappa over the last 150 years," Lynn shared.

Volunteering allows Lynn to connect with women both older and younger, those who were not in school with her, or even those from a different chapter. The Tucson Alumnae Association has always been a big part of Lynn's Kappa experience, and she is grateful for the good friends and sisters she's made.

"I have loved working with the new generations of Kappas over the years. I am always shocked and pleased to see how capable, confident, and committed the young women are today. It gives me great hope for the future."

### A NEW ERA

Lynn and her husband, George, celebrated 52 years of marriage. Together, they have two daughters and nine grandchildren. "I like to say I got a good return on my investment—my youngest daughter, Cory, was a Kappa at Bucknell."

Lynn is active in her free time, from swimming to golfing to serving as chairman of the Kappa Book Club in Tucson.

"I love these women and spending time with them," Lynn shared. "Plus, I saw several sisters from my pledge class who attended the Centennial Celebration in 2020; it was wonderful. Hopefully, my class will gather in 2024 to celebrate 55 years of sisterhood!"

## Chapter Eternal

**Sally Bacon Rollings '45** entered Chapter Eternal on May 28, 2022. She attended Tucson High School, where she met her future husband, Kelley (who precedes her in passing). The couple settled in Tucson after college, and Sally maintained her connection to her birth state of Michigan through summer visits to Lake Michigan with her parents, children, and grandchildren. Sally and Kelley were active in numerous civic organizations, including the Tucson Museum of Art and the Tucson Festival Society. Moving forward, Sally's family and friends celebrate the wonderful life that she lived.

**Suzanne Laws Parnell '51** entered Chapter Eternal on August 6, 2022. Suzanne was born in Wichita, Kan., as a descendent of a true pioneer family in Wichita. She lived there for 14 years on the banks of the Arkansas River, which left her with a lifelong love of rivers. Arriving in Tucson in 1947, she attended Tucson High and the U of A, and loved her new hometown. She was an educator in Tucson Public Schools and at the U of A for 31 years and felt she taught during a golden era of education. This was followed by a 22-year career as an agent with Long Realty.

**Kristin Keith Gibson '79** entered Chapter Eternal on October 13, 2022. A generous storyteller with a passion for her southwestern heritage, Kristin graduated as a journalism major in 1981, making lifelong friends in Kappa Kappa Gamma. She interned at IBM while at U of A and met her husband, Kurt. The couple combined Kurt's design talent with Kristin's communications and PR skills to form Inergy Group, which ran for nearly 30 years until their retirement in 2021. A breast cancer survivor, journalist at heart, and a talented gardener and chef, Kristin was always a delightful conversation partner, wife, sister, aunt, and friend.
